

This document contains the Connecticut regulations for Reporting of Nuclear Incidents. This document was prepared by the State of Connecticut Department of Environmental Protection and is provided for the convenience of the reader. This is not the official version of the regulations. The official regulations are published by the State of Connecticut, Judicial Branch, Commission on Official Legal Publications in the Connecticut Law Journal. In the event there is inconsistency between this document and the regulations as published in the Connecticut Law Journal, the Connecticut Law Journal publication will serve as the official version.

Reporting of Nuclear Incidents

Sec. 22a-135-1. Reporting of nuclear incidents

Each operator of a nuclear power generating facility shall notify the Commissioner of Environmental Protection or his designee, which may be another State Agency, as soon as possible but in all cases within one hour, by telephone, of the occurrence of significant events as defined in the Code of Federal Regulations, Title 10, Part 50, Section 50.72 (10CFR50.72) "Notification of Significant Events" as amended and interpreted by the U.S. Nuclear Regulatory Commission (Latest revision on file with the Connecticut Department of Environmental Protection, Hartford, Connecticut).

(Effective October 1, 1982)
